

GREEN PRO SB 143 L 10

ERGO LINE SINGLE DISCS 17" - 154 RPM

Agile and versatile single disc machine with a diameter of 430 mm that, thanks to its effective motor-weight-speed combination, is suitable for any cleaning and restoration task. Eco-friendly model made of regenerated plastic material subjected to stringent strength tests to ensure the same quality and reliability as the standard model. Equipped with an heavy-duty induction motor for extra durability and great performances, double protection against unintentional start-up, transmission outfitted with planetary and satellite gearbox, and state-of-the-art handle that perfectly combines ergonomics, strength, safety and innovative design.

27% recycled plastic

Tank 12 l (optional)

Suction kit (optional)

Planetary gear

Mount for drive board and brushes

Articulation of the handle

Ergonomic handle

Possibility of additional weight use (optional)
